

Important Note: If your mobile data signal is too weak to play the video guide, please follow these **4 simple steps** with the attached photographs to reach and enter your apartment smoothly.

1 First Outer Gate (Pedestrian Street Metal Gate)

1. Stand in front of the dark grey pedestrian entrance gate from the street.
2. On the intercom keypad located to the right of the gate, type code **0511** and then press the **Bell button**.
3. You will hear the doorbell tone chime on the intercom.
4. Immediately, open your access link on your phone and press the blue circular **"OPEN"** button (padlock icon).
5. You will hear the continuous electric unlocking buzz. Push the gate inward to enter the property.

KEY SEQUENCE: Dial **0511** + Press **Bell button** -> Hear chime -> Tap **OPEN** in the mobile web app -> Push gate open.

1. Outer street gate

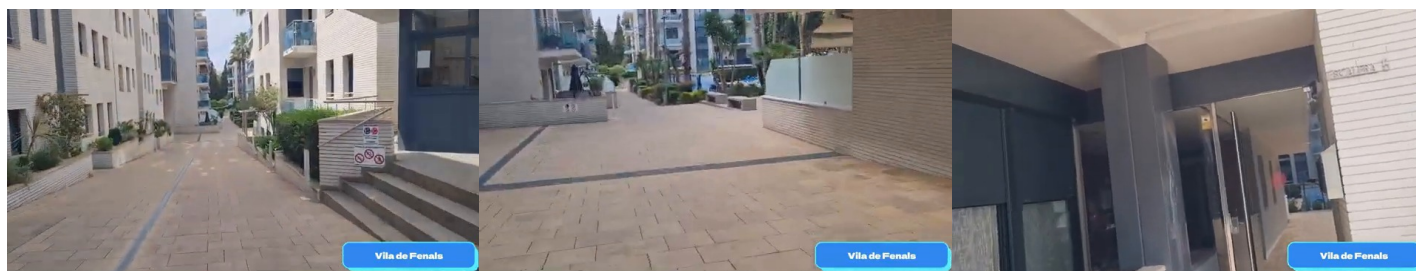

2. Dial 0511 + Bell button

3. Tap OPEN button on phone

4. Push and enter

2 Walkway to Staircase 5 (Pool & right turns)

Once inside the residential complex, walk straight ahead along the paved pedestrian walkway between the gardens. When you reach the end of the building on your right, you will see the swimming pool straight ahead: **border the building by turning right, and turn right again** around the corner. You will directly find the entrance to **Escalera 5** (marked on the white brick column).

1. Main walkway straight

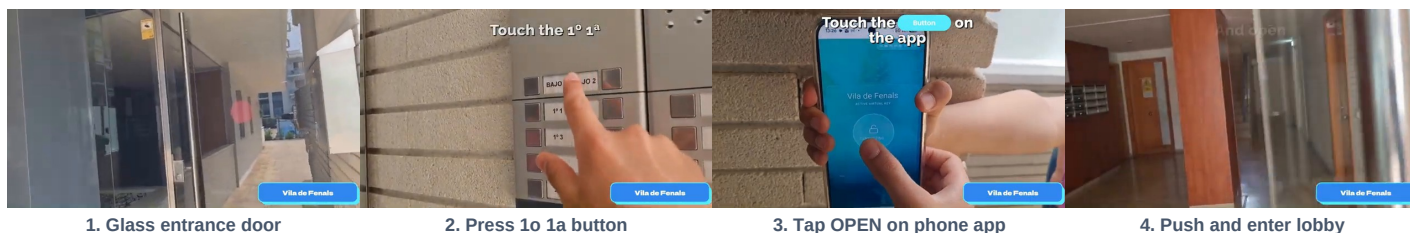

2. See pool & turn right

3. Turn right: Escalera 5

3 Second Door (Building Glass Entrance Door)

1. Stand in front of the glass entrance door of Escalera 5 (with the long stainless-steel handle).
2. On the wall intercom next to the door, locate and press the button for apartment: **1o 1a**.
3. You will hear the chime ringing on the intercom.
4. Tap the blue circular **"OPEN"** button again on your phone web app.
5. You will hear the electric unlock buzz. Pull or push the glass door using the handle to enter the lobby.

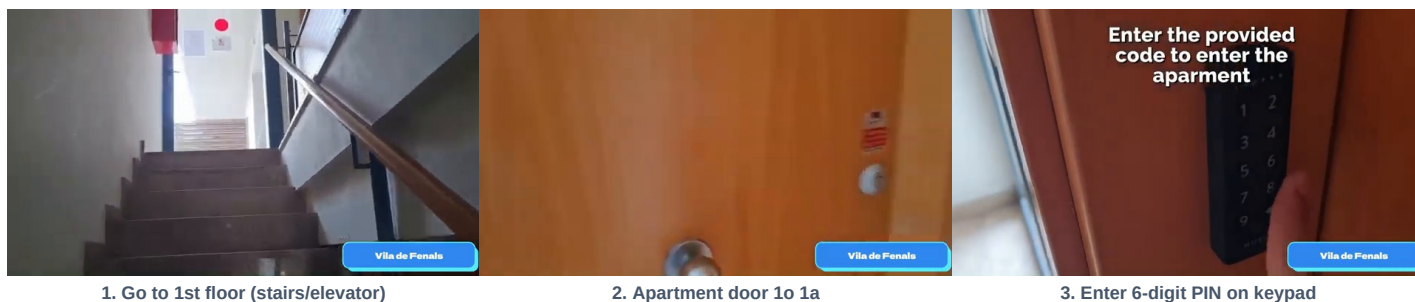

KEY SEQUENCE: Press **1o 1a** button on intercom -> Hear chime -> Tap **OPEN** in web app -> Enter lobby.

4 Apartment Arrival & Door Unlocking (1o 1a)

1. In the lobby, go up to the **1st floor (Floor 1)** via the stairs or elevator.
2. Walk up to the wooden apartment door labeled **1o 1a**.
3. On the right exterior door frame, you will find the black numeric **Nuki Keypad**.
4. Type the **6-digit PIN code** provided in your access link / web application into the keypad.
5. The smart electronic lock will mechanically turn automatically, unlocking the door.

APARTMENT PIN CODE: Enter the **6-digit PIN** provided in your reservation access link / web app. Simply type the 6 numbers on the black Nuki Keypad located right beside the door.
